Halloween on Solano is a rain-or-shine event; performers will have the option of cancelling in the event of poor weather.

Wheelchair accessible portable toilets and hand-washing stations, including a first aid station are available.

Food served will include but are not limited to pizza slices (pepperoni and plain cheese slices); low-sugar “Hi-C” drink; bottled water; popcorn with coconut oil and a “butter” topping and more.

Trick-or-Treating on Solano: we encourage all merchants on Solano Avenue (in Albany and Berkeley) and San Pablo Avenue (in Albany) to pass out sugar-free candies to local children from 3 to 5PM - annually. (The Albany Chamber of Commerce will manage the program on San Pablo Avenue.) We will, in some cases, supply candy to merchants to aid in the highest participation level possible.

When Halloween falls on a weekend, we expect a portion of our merchants to be closed, and may or may not participate in the trick-or-treating program.

We wish to thank the following who make this happen:

Our primary sponsors:

Five Little Monkeys

Hanna’s

Solano Kids

In addition:

Alameda County Food Bank and Waldman Photography

Albany and Berkeley Unified School District(s)

Arrow Glass Service – Albany

Build On (a non-profit organization) – San Francisco

Crystal River Holiday Tree lot and Ray’s Pumpkin Patch - Albany

Domino’s Pizza

Tasha’s Face-painting

Last but not least the members of the Solano Avenue Association for without them we would not exist.
