Our Mission
The Solano Avenue Association is dedicated to promoting and improving the Solano Avenue business district and to building community spirit and identity through events, marketing, and aesthetic enhancement.

SAA Launches First Ever District-wide Branding “Eat Shop Play Live”
We are proud of the logo, the message and the backbone of the program, the onSolano mobile APP. To become more focused on the district we integrated the message into the 2013 Solano Avenue Stroll theme (discontinuing the theme/tag-line for the event) as well as replaced the rotating artwork for the event to a more consistent branding of Solano Avenue. We discontinued the sale of Solano Avenue Stroll specific t-shirts and have produced new t-shirts and “grocery” red bags proudly featuring the new district-wide rebranding while promoting the new website and mobile interface onSolano.com

In Five Years We Have Sold $133,870 Dollars Worth of Solano Avenue Gift Cards
(AKA school scrip.) We sell the cards at ten percent off to non-profits, mostly public schools. This means in the last five years we have A) Directed $133,870 worth of sales to the Avenue; B) Donated $6,700 to local non-profits (via the discount) and C) You, the 60 plus program participants on Solano also donated $6,700 to local non-profits/schools so job well done!

Welcome to Solano Avenue
Café Valparaiso (Chilean/Latin cuisine) 1403 Solano

Andronico’s is about to undergo a full remodel!

Keeping Solano Avenue Youthful
One of Solano Avenue’s many assets is the fact that we have two public elementary schools. In addition we have several preschools and private-schools on the Avenue. Solano Avenue is also traversed by the hundreds of families that walk to other public schools that are near-by! We are the center of a perfect storm of K-12 kids and their families, which is why all of our events are free and family friendly.
We should encourage a youthful presence on the Avenue if for only one reason: you “eat, shop, play and live” in the neighborhood in which you grow up.
We should engage the kids and treat them like our customers of the future because they are just that. Realizing we sometimes wish they would go to El Cerrito Plaza and stay there, we suggest the opposite approach: hire them so their parents and friends will come visit – connect them to Solano Avenue in every way you can. We should embrace and market our youth orientation / relationship and bond them to the street.
It is even good for graffiti and crime prevention if they take ownership in the Solano Avenue community.
2013 Highlights
- Completed first ever district-wide branding
- Launched mobile website: onSolano.com
- Established a relationship with the Albany FilmFest

Look at All These Rumors:
- A kids clothing store (used and new) will be going into the “Furniture Oasis” location (1545 Solano)
- A spa/salon coming to the street, this one taking the old Sarber’s (2.0) location (1483 Solano)
- Safeway on Solano Avenue: What’s happening? Last Patch report indicated they plan on light surface remodeling (repainting, etc.) while the chain itself is up for sale, what is the future of our Solano Avenue store now that the chain itself is up for sale?
- The Oaks Movie Theater will remain dark, there are no plans for development at this time.

Walgreens 101
Walgreens is hoping to replace the gas station at the corner of Colusa and Solano with a new store:
“Friends of Solano Avenue” (http://friendsofsolano.wix.com/friendsofsolano / friendsofsolano@gmail.com) indicate reasons to support the Solano Avenue Walgreens project include:
- The gas station will be torn down and the hazardous environmental contamination will be cleaned up, developers indicate the financial investment involved with the clean-up/associated expenses is significant.
- They claim Walgreens will bring pedestrian shoppers to the area, creating “linked shopping trips”.
- 20 new parking spaces will be added to the shopping district and open to the public.
- This development may attract new businesses to a district that has numerous/significant vacancies.

“Say no to yet another Walgreens” (http://www.nowalgreens.com / nosolanowalgreens@gmail.com) According to their site they want to:
- Ban national chains
- Encourage you to shop locally (ie. Greetings; Payn’s and Sal’s Pharmacy)
- Solano Avenue would lose it’s only gas station

Have an opinion? The Solano Avenue Association is taking an electronic (online) survey of all Solano Avenue Businesses via email (SAA members or not) and encourage you to participate in the poll:

Please look for a survey email. It will go out on the morning of Wednesday March fifth (03/05/2014)

Thank you Berkeley Merchants/BID for the fall lighting
We appreciate the pole lighting that was installed for the fall season. The Berkeley Business Improvement District brought stars to Solano Avenue in October/December. We look forward to the coming years and are excited about the momentum as the district becomes more closely lit with its peers.
