Solano Avenue is a local treasure with the charm of a small town and an unmatched array of restaurants and retail establishments – including professional and personal services. Where else can you find a larger concentration of independently-owned "mom and pop" enterprises, or such a dynamic range of goods and services? Where else can you find a more culturally rich group of businesses with owners from all over the map? (Most of them live within the community.)

Nowhere… whatever you need. It’s on Solano.
